

A Message from Mrs. Nordoff.....

It is so hard to believe that another school year has come to a close. The end of the school year is a time to celebrate the accomplishments of our school and its students and acknowledge our committed staff. It is a time to look back at our successes and begin making plans to build on those successes.

The students have had a remarkable year. This would not have been possible without our committed and enthusiastic staff who work tirelessly to provide a quality, faith-based education for our children. I am honored to be their colleague. "Thank you" is not enough for all they consistently give to the ministry of Catholic education.

St. Matthew Catholic Elementary School is a very special place where a sense of pride and community is evident in everything that we do! You feel it as you enter the door, walk across the parking lot or attend a school function. Our students have pride for their school and themselves. This shows through in the classroom, on the playground, in the gym, on the stage and through all of our community service projects and out of school experiences. **Our students are our joy!**

I would like to express my heartfelt thanks to all of our families, parent council, and volunteers for their dedication, time, energy, prayers, generosity and support of our efforts throughout the school year.

We could not have done it without you!

My sincere gratitude to all of you for partnering with us in the education of our children.

So, to all of our students, staff, and parents, I would like to say **"THANK YOU"** for another amazing school year. May God bless and keep you always and may He hold you in the palm of his hand! Looking forward to seeing you all in September.

My best wishes for a safe, restful and fun-filled summer vacation!

With much love,

Flora Nordoff
